

## Only The Best For Our Country's Finest

(TapeCraft®) is focused on meeting the specialized needs of the U.S. armed services with a full lineup of technical narrow fabrics and support. Having completed a major expansion and technology upgrade at its Oxford, Alabama, manufacturing center, TapeCraft is leading the way to ensuring our forces are equipped with the very best webbings and tapes available. TapeCraft engineers and manufactures webbings and tapes from most any fiber to meet strict military requirements for hundreds of applications ranging from backpacks (MOLLE), duffle bags and field packs, tactical vests, parachutes, cargo netting, uniforms (ACU), belts, tents, and many more.

Tape Craft Corporation is a subsidiary of YKK Corporation of America

## The TapeCraft® Military Group

Three world-class organizations combine their strengths to ensure TapeCraft products, services, and reliability are first among peers:

- Tape Craft Corporation is committed to building a legacy of service and product excellence for the military.
- Textiles<sup>2</sup>, a leading textiles firm with extensive experience in the government procurement process, manages marketing and sales, and serves as the liaison to the military for TapeCraft.
- YKK Corporation of America, parent company of TapeCraft, is a member of the YKK® worldwide Fastening Products Group and global leader in providing military fasteners and closure solutions.

The focus on manufacturing excellence, rapid response and product development—and the industry knowledge represented by this team—means TapeCraft is uniquely positioned to meet the high expectations of the military marketplace.

## The TapeCraft® Difference

- Unparalleled market commitment evidenced by bringing on line the most modern webbing manufacturing facility in the world
- Flexible domestic manufacturing capacity to accommodate the dynamic demands of military procurement
- Dedicated resources and extensive product knowledge wrapped up in more than six decades of experience
- R&D supported by YKK®, the global leader in developing effective and innovative fastening and closure solutions
